

**Fun meets  
learning**

## A dynamic outdoor event

- Combines fun, collaboration, and industry-specific learning.
- Two professionals with over 20 years of experience in management psychology and trivia game mastering, offer a unique solution to engage and inspire your teams through a fully customized scavenger hunt.
- Teams navigate up to 30 industry-related challenges, using mobile phones to enter answers and unlock clues. Event lasts up to 2 hours in one of 3 dedicated outdoor locations in Vilnius.

## Benefits of Team-Building Scavenger Hunt

- All clues are crafted to reflect challenges specific to your industry.
- Teams work closely to solve complex problems, improving communication and teamwork.
- Participants take on leadership roles naturally, learning to delegate and collaborate effectively.
- The competitive and interactive nature of the scavenger hunt energizes the team and boosts morale.
